

**Burke Eagles  
Education Foundation, Inc.**

The Burke Eagles Educational Foundation, Inc. is a corporation as defined in sub-paragraph (a)(5) of Section 102 of the Not-For-Profit Corporation Law, and is a Type B Corporation under Section 201 of the Not-For-Profit Corporation Law.

The mission and purpose of the Foundation (which is guided by a Board of Directors comprised of alumni and representatives of the school's administration) is to support John S. Burke Catholic High School and its students.

This is accomplished through the awarding of financial aid/scholarships to students, and rendering assistance to meet the needs of the school through contributions of funds and property.

The Foundation solicits and/or receives grants, contributions and funds from the public and from private sources in furtherance of its established mission and purpose. Contributed funds can be restricted to a particular purpose or given for unrestricted use as the donor may wish.

Because the Foundation is organized exclusively for the purposes specified in Section 501(c)(3) of the Internal Revenue code, contributions are tax deductible to the extent allowed by law.
